the bedside of Miss Ella Lawler, niece  
of Mrs. James Hartley, who is slightly

Baltimore of Miss Annie B. Downman  
to Dr. Henry S. West, Miss Downman,  
formerly of Warrenton, is a  
daughter of the late Maj. Robert H.

place in November very quietly at the  
home of the bride's sister, Mrs. R. B.  
Leo Fleming, of The Plains, Fauquier  
county.

Mr. J. W. Talbot, who for some time  
has been connected with the Chesapeake  
and Potomac Telephone com-  
pany of Baltimore, left Saturday for  
New York city, where he has accepted  
a position with the company.

Lovitations have been issued for the  
marriage of Miss Beesie Winston Lee,  
daughter of Maj. and Mrs. John M. Lee,  
of Stafford county, and niece of Gen.  
Fitz Lee, to Mr. Charles P. Cardwell,  
of Hanover county. The ceremony  
will take place at St. Paul's Church,  
Hanover, Thursday, October 25.

pleasant visit to her niece, Miss Carrie  
Reynolds, has returned to her home in  
Dumfries, Va.

Mrs. Charles B. Chase and daughter,

in this city after a protracted visit to  
New York.

Mr. S. N. Garwood has returned from a  
visit to his old home in New Jersey where a  
family reunion was held during his visit. He  
is one of a family of five brothers and sisters,  
the youngest of whom is 76 and the oldest  
87 years. Mr. Garwood is 80 and he has  
lived in this city for half a century. He is  
still active and energetic, and his many  
friends hope he may yet live long and prosper.

Miss Mary Wheatle, of Baltimore, who has  
been visiting friends in this city, returned to  
her home today, much to the regret of  
many friends who made her visit in Decem-  
ber.

YOUNG HOWARD'S DEATH.—The in-  
vestigation into the death of young W.  
Howard, of this city, who was found  
dead with a bullet hole in his head at  
Berwyn, Md., two weeks ago,  
was supposed to be the result of a fight  
with George's county, Md., on Friday and  
Saturday last. Young Howard's body  
was disinterred last week, and carried  
to Wheatle's undertaking establish-  
ment where Drs. Smith and McGuire  
performed an autopsy. They found  
that the bullet had entered the right  
temple, passed through the brain, and  
lodged on the left side of the organ.

The profranchise under the left ear  
which, as the cursory examination made  
at the time of the young man's death,  
was supposed to be the result of a fight  
with George's county, Md., on Friday and  
Saturday last. Young Howard's body  
was disinterred last week, and carried  
to Wheatle's undertaking establish-  
ment where Drs. Smith and McGuire  
performed an autopsy. They found  
that the bullet had entered the right  
temple, passed through the brain, and  
lodged on the left side of the organ.

The upper and lower lips  
were cut on the inside, as though from  
a heavy blow in the mouth, the teeth  
of the lower jaw being imbedded in the  
upper lip. A dispatch from College Park  
says: Justice of the Peace John T.  
Birch, for-man of the jury of inquest;  
John J. Kleiner, Dr. A. H. Lea, Mr.  
and Mrs. Arthur Smith and their daughter,  
Miss Jeanette Smith, appeared  
before the grand jury Saturday, to testi-  
fy concerning the death of Howard. Ac-  
cording to their testimony it was a case  
of suicide and not murder.

ODD FELLOWS' FAIR.—The fair being  
held at McBurney's Hall by Sarepta  
Lodge of Odd Fellows offers a night of  
enjoyment to all who attend. The  
hall is prettily decorated and a deli-  
cious supper is served. The contest for  
the various articles being voted for is  
becoming interesting. The evening  
closes with a dance.

The contest now stands as follows:  
Jr. O. U. A. M. Ring—J. R. N. Cur-  
rier, 5; O. E. B. Boyer 3.

MISSIONARY SOCIETY.—The Woman's  
Missionary Society of the Balti-  
more Conference, Methodist Episcopal  
Church South, met in Fredericksburg  
yesterday, and last night the regular  
business session was opened. Mrs. J.  
L. Williams presided. Mrs. Williams  
delivered an address on the subject  
"Constraining Motives." An address  
was also delivered by Mrs. C. M. Haw-  
kins of Baltimore. A paper on "What  
to Give and How to Give it," prepared  
by Mrs. W. B. Higginbotham, who was  
absent, was read by Mrs. W. H. Ballen-  
ger, of Piedmont, W. Va. The sessions  
of the society will continue until Tues-  
day night.

opens in forty-five of the one hundred  
counties of the State today. Alexan-  
dria is included in these counties. The

meeting will be held at Sarepta  
Hall tomorrow night under the aus-  
pices of the city democratic committee  
and the Bryan, Stevenson and Rixey  
Club. Hon. John Goode and Mr. R.  
E. Lee, Jr., have been invited to be  
present and have accepted the invita-  
tions. An enthusiastic meeting is ex-  
pected. The gallery will be reserved  
for ladies.

Many Thanks.  
"I wish to express my thanks to the  
manufacturers of Chamberlain's Colic,  
Cholera and Diarrhoea Remedy for  
having put on the market such a won-  
derful medicine," says W. W. Massing-  
ill, of Beaumont, Texas. There are  
many thousands of mothers whose chil-  
dren have been saved from attacks of  
dysentery and cholera infantum who  
must also feel thankful. It is for sale  
by all druggists.

Do not get scared if your heart throbs  
and you feel as if you were suffering from  
indigestion. Radol's Dyspepsia Cure digests what  
you eat and gives the worn out stomach power  
to do its duty. It is the only preparation known  
that completely digests all classes of food;  
it cures the worst cases of indigestion and  
stomach trouble after everything  
else has failed. It may be taken in all con-  
ditions and cannot hurt but do you good.

THE POLICE COMMISSIONER CON-  
FERRED.—At the request of Mr. S. G.  
Brent, counsel for Mr. Frank Price,  
Judge Norton has not yet entered his  
order in the Corporation Court declar-  
ing Mr. Price disqualified to hold the of-  
fice of Police Commissioner. The day  
is granted in order to give Mr. Brent  
time to prepare an appeal if he decides  
to do so, which, as was stated on Sat-  
urday, is more than probable. Mayor  
Simpson in speaking of Judge Norton's  
decision this morning said that he  
had not advised Mr. Spinks to bring  
the quo warrant proceedings, but that  
he was glad he had done so; he also said  
that there would have been nothing  
improper however, for him or any citi-  
zen in advising Mr. Spinks to bring the  
proceedings. In an affidavit published  
elsewhere, Mr. Spinks avers that Mayor  
Simpson knew nothing of his intention  
to bring the proceedings.

FOOTBALL.—Football in this city in  
the past few years, as far as the teams  
themselves are concerned, has been  
complete success; as to the patronage  
extended to it has been a dismal  
failure. This year the city is repre-  
sented by two of the strongest teams  
that have ever been organized in this  
city. They are the Alexandria Ath-  
letic Association and their reserves.  
They have very strong teams to  
compete with this season and it is  
expected that all lovers of football will  
extend them their patronage and en-  
couragement.

NO COURT.—Judge Edmund Wad-  
dill has written to Clerk Fowler, of  
the U. S. Court, that he will not be  
able to hold a special term of that  
court in this city this week, as he had  
intended doing, and that the business  
fixed for the special term will go over  
till the regular term in January next.  
At the last regular term the case of U.  
S. vs. R. H. Phillips was set for a hear-  
ing in this city today. This is the case  
in which the electric railway is being  
challenged by the county, with inter-  
fering with government telegraph and  
telephone wires.

THE CHURCHES.—The weather yester-  
day was cloudy and threatening but  
the churches were all fairly well at-  
tended. At Christ Church Rev. Dr.  
Wallis, of the Seminary, conducted ser-  
vices, in the morning and Mr. Watts  
of the Seminary at night but at all the  
other churches the pulpits were occu-  
pied by the resident clergy.

POLICE COURT.—The following cases  
were disposed of today:  
Julian Barkley, charged with throwing  
missile, was dismissed.  
Charles M. Bayless, charged with firing a  
pistol within the city limits and with carry-  
ing concealed weapons, was fined \$5.  
Samuel Cummings, colored, charged with  
injury and defacing property, was fined \$5.  
A young man, charged with being drunk  
and disorderly, was fined \$5.  
Lucius Williams, colored, charged with  
petit larceny, was dismissed.  
Andrew Whiting, colored, charged with  
stealing chickens from Thomas Kelly, was  
fined \$5 and in default of payment sent  
to the chain for 20 days.  
Night Report.—Last night was cloudy and  
cool until 3 o'clock when it became clear.  
Three prisoners and four lodgers were at  
the station house.

LOCAL BREVITIES.  
Suit for divorce was filed in Wash-  
ington on Saturday by Lucy Ida Barron,  
suing for a legal separation from her  
husband, William Arthur Barron, on  
the charge of desertion. The parties,  
it is stated, were married at Catlett,  
Va., in 1895 and soon after came to  
Washington to reside.  
At the meeting of County Supervisors  
last week, members of the Excise Board  
for the ensuing two years were appoint-  
ed as follows: Jefferson Dist., Gibson  
Payne, re-appointed; Washington Dist.,  
George W. Donaldson, vs. G. M. Van-  
derger, who has removed from the  
county; Arlington Dist., Dr. Chas. B.  
Monson vs. Chas. F. Ramsdell.  
Carolins Evans, better known to the  
army of Washington market goes who  
buy their provisions at the Centre Mar-  
ket as "Auntie Carrie," was found Sat-  
urday evening on the road near her lit-  
tle cabin at the Virginia end of the  
Chain Bridge with her old wagon and  
decayed horse near by. The old woman  
an neck was broken, and it is believed  
she fell from the seat of the wagon,  
in which she has driven for so long, and  
fractured her spinal column.
